

System 1 & 2B Spec Sheet: Dog Ear Cleaner & Ultrasonic Finger Wipes

Co-Manufactured Liquid + Wipe Duo from One Factory · Synchronized Pantone Branding · MOQ 1,000–1,500

1. Executive Engineering Summary & Co-Manufacturing Advantage

Sourcing liquid ear wash from a chemical filler and finger wipes from a separate non-woven converter doubles freight costs and creates label color mismatches. Aimo Pet manufactures both lines in-house under one PO.
